Impact Report

EDUCATIONAL FOUNDATION

A Foundational Commitment to Leadership and Service

By Dan Hartmann, President & CEO,
Educational Foundation

Brothers and Friends,

Men play critical roles in society, but traditional institutions today are struggling to prepare them.

For 115 years, Lambda Chi Alpha has successfully prepared men for meaningful roles through our mission to inspire and equip them to lead ethical lives of growth, service, and leadership.

As we navigate today's landscape, we must meet men's changing needs to remain relevant and impactful while staying true to our pursuit of perfect Brotherly love and service to others.

As a 501(c)(3) nonprofit, the Educational Foundation is positioned to help the Fraternity adapt, all while offering our Brothers and friends the option to make tax-deductible charitable donations.

Our strategic roadmap calls for building a culture of philanthropy and donor participation, advancing our impact in Brothers' lives, establishing strategically critical partnerships, and investing in our capacity and relationships with our donors.

Between 2020-2023, in pursuit of those goals, we raised \$13.5M and granted \$7.2M to reposition, reinvent, and reinforce the Fraternity experience.

It is my privilege to serve as the Foundation President & CEO and connect Brothers and friends to our vision to inspire and educate men to become leaders and philanthropists in the world.

On behalf of our Board and staff, I am honored to present our 2023 Donor Impact Report. As we reflect on our recent achievements, we are humbled by the incredible support of 2,769 Brothers and friends who generously invested in our mission last year.

In this 2023 Donor Impact Report, you will find:

- **By the Numbers:** A look at our overall health and how your contributions have been utilized.
- **Program Highlights:** Stories of impact, testimonials and the initiatives that have made a real difference in the Zeta experience.
- **Donor Honor Roll:** We take a moment to acknowledge the Brothers and friends who have joined our Circle of Light donor society.

We look forward to continuing to steward your contributions to the Educational Foundation and extend our deepest gratitude for your trust, support and partnership.

Together, we are helping the leaders of tomorrow find their footing today.

Circle of Light

DONOR HONOR ROLL

With gratitude, the Educational Foundation wishes to recognize the following donors who joined the Circle of Light donor society by investing \$250 or more in the We Believe Fund and Circle of Brotherhood Endowment between January 1, 2023, and December 31, 2023. The many generous donors on this list are sorted first by Chapter and then by their respective Circle of Light annual giving level with initiation years for reference.

Circle of Light donors are recognized in the Foundation donor honor roll printed annually in the *Cross & Crescent* magazine. Their philanthropy allows the Educational Foundation to fund the Fraternity's greatest areas of need to inspire and equip men to lead an ethical life of growth, service, and leadership.

*Brad Garfinkel (Shippensburg '93)
 Foundation Donor and Volunteer*

"Thank you for the opportunity to serve as a scholarship judge. The applications brought back a lot of memories of my undergraduate years and also were a good reminder of my own financial challenges. It's great to see so many solid young men carrying on the Lambda Chi Alpha legacy. As a long-time donor to Lambda Chi Alpha, it was beneficial to understand the financial need for scholarships to support our Undergraduate Brothers. By participating in the application review process, I clearly see the need and my confidence continues to be reinforced with how donor dollars are being utilized."
